Dr. Vikram Dogra
C/o Medical Imaging Partnership

Dear Sir,

RE: Online subscription

Thank you for your donation of one year online subscription to all the clinic series published by Elsevier. It is extremely useful for research and teaching purposes and we will make full use of this opportunity to access recent papers on topical subjects.

The Aga Khan University Hospital is extremely grateful for this kind gesture.

Yours sincerely,

Dr. Sudhir Vinayak
Section head Ultrasound &
Chairman Kenya Association of Radiologists
